Dear Licensee:

This is in response to the above application filed on July 9, 2019, for special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA request is to allow WIVT to temporarily operate with alternate parameters on its repack channel using an interim facility. You mentioned that the proposed operation will completely encompass its community of license and will not exceed its authorized noise limited contour in any azimuthal direction.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 15, 2020**.

Sincerely,
