Dear Licensee:

This is in response to the above application filed on July 5, 2019, for special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA request is to allow the WJET-TV to temporarily operate with alternate parameters on its pre-auction channel using a side-mounted directional interim antenna. You mentioned that the proposed temporary facility will completely encompass its community of license and will not exceed its licensed protected noise limited contour in any azimuthal direction.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 6, 2019**.

Sincerely,

Kevin R. Harding
