Children's Television Act of 1990 Certification

This is to certify that during the third quarter of the 2016 calendar year, Pivot contained no children's programming and was thus in compliance with the Children's Television Act of 1990 (the "Act") and the Federal Communications Commission rules implementing the Act (Sections 76.1703 and 76.225 of Title 47 of the Code of Federal Regulations).

Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending September 30, 2016:

1) provided closed captioning services on its QVC Service and QVC Plus delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and

2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC's programming during such quarters constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality "Best Practices" for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be "widely available" in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at http://www.adm.qvc.com/forms.html.

CHILDREN'S PROGRAMMING CERTIFICATION

This is to certify that the list set forth below identifies all programs and series aired by Muzak LLC that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified bellow so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Muzak LLC as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

No children's programs were run during the immediately prior calendar quarter.

I hereby declare under penalty of perjury that the forgoing is true and correct.

Executed this 14th day of October, 2016.
