FCC ISSUES REPORT 2nd QUARTER 2006

April, May, June

Telemundo KBLR TV 39 Las Vegas

April 2006

ISSUE: TRAFFIC CONTROL CENTER
Program: Conteo de Noticias **Date:** 04/03/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Las Vegas inaugurated a new traffic control center.
Given the growth of the community there is a need for a bigger and better equipped facility.
The new center is equipped with state of the art technology, and it is stated to start operating immediately.

ISSUE: AFFORDABLE HOUSING
Program: Conteo de Noticias **Date:** 04/06/06 **Time:** 6pm & 11pm **Segment:** 1
Description: More than 200 companies held a meeting today at the Green Valley Ranch Casino to discuss house pricing and how to keep them affordable.
The average house in Nevada is $300,000 and most people simply cannot afford it any longer.
The program targets nurses, teachers and casino employees.
The possible solutions to the initiative are federal funds, housing conversions, closing incentives from banks, etc.

ISSUE: SAFETY PROGRAM
Program: Conteo de Noticias **Date:** 04/12/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Senator Harry Reid held a conference call with law enforcement agencies on public safety.
He is requesting federal funds to help the community be prepared and avoid threads becoming disasters.

ISSUE: HOTEL & FOOD CONVENTION
Program: Conteo de Noticias **Date:** 04/13/06 **Time:** 6pm & 11pm **Segment:** 1
Description: The 27th Annual Hotel & Food Convention took place today in the Convention Center.
Numerous events took place from exhibitions, new technology, culinary arts, contests between employees, etc.
This is an event mostly to portray the initiatives that different casinos are taking within their management and employee groups, but also to create a feeling of community between them.

ISSUE: PRESIDENTIAL VISIT
Program: Conteo de Noticias **Date:** 04/24/06 **Time:** 6pm & 11pm **Segment:** 1
Description: President George Bush visited Las Vegas and was welcomed by republican representatives.
President Bush also held a conference in the Venetian Hotel & Casino and expressed optimism in the economy but omitted comments on the immigration reform and the yucca mountain support.

ISSUE: FALCON II
Program: Conteo de Noticias **Date:** 04/27/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Law Enforcement Agencies launched Operation Falcon II in hopes of catching fugitives of the law.
At a national level, more than 9,000 criminals were arrested, and at a local level in Nevada, more than 100 were arrested.
Last year, the same initiative helped put 60 criminals behind bars.

May 2006

ISSUE: MORNING RALLY
Program: Conteo de Noticias **Date:** 05/01/06 **Time:** 6pm & 11pm **Segment:** 1
Description: A rally was held in Las Vegas, people from different nationalities marched to demand the Senate to retake the immigration reform subject and take drastic measurements.
The crowd marched towards the Federal Court where more people congregated to raise their voice.

ISSUE: KIDS DROWNING PROGRAM
Program: Conteo de Noticias **Date:** 05/03/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Las Vegas Fire Department is launching a program to educate parents about the dangers of kids being left unattended in pools.
More kids are prone to drown during the summer, due to the desire to play outside home since they are out of school.
The guide will give parents measures to take like kids being accompanied at all times, covering pools or putting fences, not leaving toys near or on the pool that could be very attractive to kids, etc.

ISSUE: CULINARY COALITION
Program: Conteo de Noticias **Date:** 05/09/06 **Time:** 6pm & 11pm **Segment:** 1
Description: The Nevada Culinary Union and Casino Representatives put together a group of representatives that will travel to Washington to discuss with the President and the Congress the need for the immigration reform and the impact this is having in our local community and economy.

ISSUE: FRAUD IN THE HISPANIC COMMUNITY
Program: Conteo de Noticias **Date:** 05/10/06 **Time:** 6pm & 11pm **Segment:** 1
Description: The Federal Trade Commission held a conference with local agencies to educate people about the fraud crimes that is growing and affecting the Hispanic community.
The conference also explained the rights the consumers have and what to do if they feel they have falling victim of fraud.
The most common frauds are issues with immigration, investments, website surveys, telephone contests, etc.
The FTC is also urging people to come forward and report cases, and to not feel afraid about their migration status.

ISSUE: CLICK IT OR TICKET
Program: Conteo de Noticias **Date:** 05/11/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Metro Police Department launched its annual initiative to save lives by wearing seat belts.
Officers all over Nevada will be watching and fining people who do not obey the law. They will also be on the look out for other types of infractions.

ISSUE: BORDER MEASURES
Program: Conteo de Noticias **Date:** 05/15/06 **Time:** 6pm & 11pm **Segment:** 1
Description: President George Bush is sending more National Guard troops to safeguard the borders, and urges the Senate to expedite the legislation on an immigration reform. The plan includes temporary working visas and status adjustments for people who qualify.

ISSUE: AIR CONTROLLER STRIKES
Program: Conteo de Noticias **Date:** 05/18/06 **Time:** 6pm & 11pm **Segment:** 1
Description: McCarran Airport air traffic controllers are on strike.
The group is rallying in front of the airport due to lack of personnel, extended working hours and not enough training, putting the general public at a high risk, and want to make people aware of how unsafe is to travel.
The main concern is not enough people to do the routine check up schedules on aircrafts and control rooms.
The controller union is looking on modifications to contracts since this is not benefiting the workers at all, the job demand high skills and work under pressure as it is, and it makes it difficult if they are understaffed.

ISSUE: WATER POLICE
Program: Conteo de Noticias **Date:** 05/19/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Water waste is strictly prohibited in the whole Valley; most people are leaving their sprinklers on or irrigating the wrong way, or not setting their start clocks correctly.
From May 1 to October 1 is prohibited to water from 11am to 7pm.
Police is doing their rounds in all sectors of the Valley and issuing tickets to people that are found in non-compliance, either because they have not changed their clock meters or other infractions.
First violation ticket will be $20, second violation $40, fines will duplicate each time until reaching $300.
Alternatives are being offered as well like synthetic grass, it will give it a nice look and has no cost maintenance; it has 10-year warranty.

ISSUE: INS RAIDS
Program: Conteo de Noticias **Date:** 05/22/06 **Time:** 6pm & 11pm **Segment:** 1
Description: The INS is taking harsh measurements here in Nevada, conducting home raids against all immigrants.
There are increasing reports of people being visited by INS officials insisting in stepping in to homes resulting in arrests, most people do not realize they have the right to refuse entrance to these officials.
Experts urge people not to feel intimidated or obligated to give in to any demand, the INS can only search their home if they have a warrant, other wise they have no right to invade houses and conduct searches.

They also recommend that any business the INS has with people must be handled outside the house

ISSUE: CITIZENSHIP DEBATE
Program: Conteo de Noticias **Date:** 05/23/06 **Time:** 6pm & 11pm **Segment:** 1
Description: There is a new proposal to restrict citizenship to only newborns from US citizens or legal residents.
Until now the law dictates that migrant status of parents is not a factor of citizenship when children are born in the US.
The proposal is in an initial state and has not reached the Senate yet.

ISSUE: IMMIGRATION SCAMS
Program: Conteo de Noticias **Date:** 05/30/06 **Time:** 6pm & 11pm **Segment:** 1
Description: While the Immigration reform is still in progress, unscrupulous people are taking advantage of the situation and scamming desperate people who are in dire need of resolving their illegal status.
These people are promising to legalize them in exchange of large amount of money.
There are growing reports of lawyers who claim to be immigration experts and try to capitalize on people's misfortune and desperation.
Police officers are urging people to come forward with complaints to track down these criminals.

ISSUE: HOMELAND FUNDS
Program: Conteo de Noticias **Date:** 05/31/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Las Vegas has entered the list of cities that are potential terrorist targets.
This gives Vegas the opportunity to share funds with other cities to create anti terrorism programs.
The amount destined to Nevada is $25 million and the local government will determine how the money will be distributed and which programs will be implemented.

June 2006

ISSUE: TASER DEATH CONTROVERSY
Program: Conteo de Noticias **Date:** 06/09/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Funeral Services were held for Felipe Herrera, who died under circumstances that police have not disclosed to the family yet.
According to the report, officers tried to arrest Herrera for resisting after being stopped on an expired tag, and resorted to taser gun, which resulted in his death.
Police officials responded that they acted according to the protocols and the use while the use of tasers was justified, it has not been disclosed the intensity and duration the guns in which the guns were used.

ISSUE: US WELCOME YOU
Program: Conteo de Noticias **Date:** 06/13/06 **Time:** 6pm & 11pm **Segment:** 1
Description: After 911, all borders and points of entry are being heavily watched.
In efforts to keep immigration and possible terrorism controlled, the measures are affecting the tourism overall.

RT Strategies conducted an investigation on tourism and it was concluded that INS officers are more aggressive to people, in return people feel intimidated and decide not to travel to US and choose other destinations.
US see tourism as a threat and now they are trying to change that mentality.
It was reported that tourism has reduced 17% in the last years.

ISSUE: H.E.L.P.
Program: Conteo de Noticias **Date:** 06/19/06 **Time:** 6pm & 11pm **Segment:** 1
Description: Help of Southern Nevada in conjunction with Nevada Power launched a program to help people save energy and money.
Specialists will conduct surveys on homes to determine the root causes of energy leaks and high bills.
They will also replace certain appliances that are consuming too much energy free of charge if the people qualify for it.

ISSUE: FLASH FLOOD SAFETY
Program: Conteo de Noticias **Date:** 06/27/06 **Time:** 6pm & 11pm **Segment:** 1
Description: More people die in flash floods that any other accidental cause.
The Regional Flood Control District launched an awareness campaign that is directed to Hispanics as well for the first time.
Only 25% of the community is informed and prepared for flash floods.
The purpose is that Hispanics know how to distinguish between the type of alerts and what safety measures to take
