Dear Licensee:

This is in response to the above application filed on July 9, 2019, for special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA request is to allow WWTI to operate with alternate parameters on its pre-auction channel using an interim antenna. You mentioned that the proposed facility will completely encompass its community of license and will not exceed its licensed pre-auction protected noise limited contour in any azimuthal direction.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 2, 2019**.

Sincerely,

Kevin R. Harding
