DESCRIPTION: WIDOWS IMMIGRATION CASES
REPORTER: FRANCISCO CUEVAS
Good immigration news from Los Angeles, California, where a Federal Court ordered the Department of National Security to open the cases of dozens of widows who were denied the green cards. These cases were closed because their husbands, who were American citizens, passed away during their process of obtaining their green cards.

DESCRIPTION: PROM DREAMS
REPORTER: JULIANA GONZALEZ
This year for many teens prom night is more like a nightmare than a dream. The problem is that due to the economic crisis, many of them do not have the money to buy the proper attire. Luckily, in Chicago many teen girls have a "fairy godmother" who helped them with this problem.

DESCRIPTION: FISH -BRAIN
REPORTER: MARIA CELESTE ARRARAS
To eat fish is beneficial for the brain, especially for men older than 40. As you know, fish is a good source of vitamin D and scientists in Europe found that men between 40 and 79 years of age, who registered higher levels of Vitamin D, were the ones with the best results of concentration and speed level in order to process new information.
