This is to certify that the list set forth below identifies all programs and series transmitted during the above referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC").

None of the following programs or series included any commercial spots including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Re: Exemption from Compliance with Children's Television & Closed Captioning Programming Laws – 4th Quarter (October 1, 2015 – December 31, 2015)

Dear Ms. Browne:

We are writing in response to your previous request to certify compliance from Capital District Regional Off-Track Betting Corporation (Capital OTB) with the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 and the Federal Communications Commission rules implementing these Acts.

Background
Capital OTB Network can be seen in the Capital Region on Time Warner's Cable Channel 8.2/1250. The network displays live horseracing and race replays as well as horseracing related information and programming. This programming can be seen virtually 24 hours a day, seven days per week. The Capital OTB Network is exempt from the requirements of the Children's Television Act of 1990 and the Closed-Captioning requirements of the Telecommunications Act of 1996.

Exemption from requirements of the Children's Television Act of 1990
On April 9, 2007 a representative of the Federal Communications Commission confirmed to a Capital OTB representative that cable networks are not required to air children's programming. Therefore Capital OTB is exempt from airing programming in response to the Children's Television Act of 1990.

Exemption from Closed-Captioning requirements of the Telecommunications Act of 1996
Capital OTB also maintains that we are exempt from providing closed-captioning per Section 79.1(d) (12) of the Federal Communications Commission's rules of Exemptions from Closed Captioning, which states the following:

Channels producing revenues of under $3,000,000. No video programming provider shall be required to expend any money to caption any channel of video programming producing annual gross revenues of less than $3,000,000 during the previous calendar year other than the obligation to pass through video programming already captioned when received pursuant to paragraph (c) of this section.

Capital OTB defines gross revenue as monies generated from commercial advertisements appearing on Capital OTB Network. Under this enclosed definition, Capital OTB Network produces annual gross revenues well under $3,000,000. Based upon the above rule and criteria the Capital OTB TV Network is exempt from providing Closed Captioning.

Please accept this letter as Capital OTB Network's exemption from the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 for the 4th Quarter (October 1, 2015 – December 31, 2015). A similar letter of exemption will be filed upon request for each quarter of the calendar year.

Sincerely,

Robert J. Dantz

This is to certify that the list set forth below identifies all programs and series transmitted during the above referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. None of the following programs or series included any commercial spots including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending December 31, 2015:

1) provided closed captioning services on its QVC Service and QVC Plus delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and

2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC's programming during such quarters constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality "Best Practices" for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be "widely available" in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at http://www.adm.qvc.com/forms.html.

CARTOON NETWORK
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. ("Turner"), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from October 1, 2015, to December 31, 2015:

1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children's programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).

2) Turner treated all of the programs telecast on the Cartoon Network, a 24-hour program service, as "children's programming" for the purposes of the commercial limits set forth in the Act, except for its telecast in the "Adult Swim" block of programming created for an adult audience that airs late night seven days a week.** The Adult Swim block contains hourly warnings to notify and remind viewers that the content is intended for an adult audience, and is not considered "children's programming" subject to the commercial limits set forth in the Act. On a weekly basis, therefore, approximately 98 hours of television programming were treated as "children's programming" for the purposes of the commercial limits set forth in the Act.

3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.

4) To the best of my information, knowledge and belief, there were no instances in which the commercial limits were exceeded during the period noted above.

Certified by me this 8th day of January, 2016.

Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 (the "CTA") and the FCC regulations relating thereto in connection with your carriage of our video programming services (the "Discovery Networks").

The attached schedule lists the Discovery Networks that aired children's programs (as defined in the CTA) last quarter and identifies the children's programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children's programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and Velocity).

Discovery Communications, LLC certifies that, as standard practice, the children's programs identified on the attached schedule are formatted so that the total commercial time (including local ad avails) is no more than 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays. CHILDREN'S PROGRAMMING CERTIFICATION

4th Quarter: October 1, 2015 to December 31, 2015

This is to certify that the list set forth below identifies all programs and series transmitted during the above referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC").

None of the following programs or series included any commercial spots including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Weigel Broadcasting Co. on behalf of MeTV Network as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the regulations.

List of children's programs run during calendar quarter:

1. H.R. Pufnstuf
2. Land of the Lost
3. Green Screen Adventures

I hereby declare under penalty of perjury that the foregoing is true and correct.

This is to certify that the list set forth below identifies all programs and series transmitted during the above referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC").

None of the following programs or series included any commercial spots including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below.
