Jeff Chang and Gabriela Gomez, the FCC license of digital television station KGBY, (Facility 52593) certifies that, during the period between January 1, 2018 to March 31, 2018, KGBY aired children’s programming in compliance with the Children’s Television Act of 1990, and with the rules and regulations of the Federal Communications Commission. Those rules and regulations limit the total amount of commercial matter in programs produced and broadcast primarily for children 12 years of age and under to 10.5 minutes per hour or less on weekends, and 12 minutes per hour or less on weekdays.

During the quarter, there were no occasions on which the commercial limits were exceeded. Moreover, certain children’s programs broadcast on KGBY are for ages 13-16 years old, therefore not subject to advertising limits. And, further, all children’s programs broadcast on KGBY during the quarter also complied with the Commission’s restrictions on the appearance of commercial Internet web site addresses.
