Healthcare – Military	News Podcast	9/13/16	Online	60sec	<p>The U.S. military has a huge problem with obesity and it's only getting worse</p> <p>It's not exactly clear why America's military personnel are getting fatter. Could be that 15 years of war have weakened the focus on fitness. Could be that millennials, with their penchant for sedentary activities like playing video games and killing time on social media, aren't always up to the rigors of military life. Could be all the burgers, fries, cakes and pies served in chow halls around the world.</p>
