Program Title: John Lewis – Get in the Way  
Produced by: Early Light Productions  
Type: Documentary  
Dates Aired: 2/03/2020 10pm 56.1 60 minutes  

Description: Follow the courageous journey of John Lewis, whose unwavering fight for justice spans the past 50 years, from his youth in the segregated South, through his leadership within the Civil Rights movement, to his current role as a powerful voice in Congress. He was the youngest speaker at the historic 1963 March on Washington, where Dr. King delivered his legendary “I Have a Dream” speech. And in March 1965, Lewis led the Bloody Sunday march in Selma, where Alabama State Troopers attacked peaceful protesters with billy clubs, bullwhips and tear gas. Their horrific actions were broadcast on nightly news reports into living rooms across America; eight months later, the Voting Rights Act was signed into law. Once an activist pushing from the outside, Lewis, now 76 years old, has become a determined legislator making noise on the inside. Considered by many to be the conscience of Congress, with equal measures of modesty and forcefulness, Lewis strives to persuade D.C. powerbrokers to hear the voices of the unheard. Despite setbacks—and there have been many—John Lewis’ eyes remain on the prize.

Program Title: Fighting on Both Fronts: The Story of the 370th  
Produced by: WTTW  
Type: Documentary  
Dates Aired: 2/09/2020 1pm 56.1 30 minutes  

Description: FIGHTING ON BOTH FRONTS: THE STORY OF THE 370TH tells the little-known story of a unit of African American soldiers from Illinois, largely from Chicago's Bronzeville neighborhood, who fought in combat for the United States under the French during World War I. They fought on two fronts: the war against the Germans and the war against racism and inequality. During a period when African Americans struggled tirelessly for basic human and civil rights, these soldiers marched off to war to show their patriotism and loyalty to the United States. But when they returned from war they realized that, despite their sacrifices, the country still denied them civil rights. The 370th had the distinction of being the only Black regiment completely staffed with black officers. For its actions during the war, members received 21 Distinguished Service Crosses, one Distinguished Service Medal and 68 Croix de Guerre.

Description: In the perilous 1870's and 80's, when night riders and lynching terrorized African Americans and black-face minstrels ridiculed them across the land, The Hyers Sisters (African American touring-opera prodigies) stood up against this ridicule and oppressive imaging with unique musical works and thus became Voices for Freedom. These works changed minds and hearts for 20 years while bringing the first black leading players to the mainstream stage, integrating casting for the first time, and creating the first American musicals. The Hyers influenced all Music Theater to come and yet remain unsung -- ‘til now. This half-hour performance documentary celebrates their rich legacy in word and song, with internationally renowned artists and an inspiring story. Enactment, narration, a hip-hop commentator, and expert commentary reveal the social struggles of their day and shed light on our own. Super star Denyce Graves-Montgomery hosts.
